Description

The K 3.150 with universal air-cooled motor for regular use for moderate to heavy soiling, e.g. cars and medium-sized areas around the house.

Features include a convenient detergent tank, on-board practical accessory storage and an ergonomically designed high-pressure gun with Quick Connect hose connectors. This high-pressure cleaner is compact, mobile and easy to transport. An impact-resistant, recyclable plastic casing prevents dirt particles from damaging the motor and pump. A safety valve prevents pressure overload. A pressure switch control switches the motor on and off when the trigger gun is pressed and released. High-performance machine with high-quality, lightweight N-Cor pump to reduce noise. A large on/off switch and high-pressure hose with kink protection at each end are further features of the K 3.150.

Application

For regular cleaning operations around the house, for medium-sized areas and for washing vehicles.
